Product description

Product description

The RIDGID 13 in. Corded Planer has a 120-Volt, 15 Amp motor that delivers 9000 RPM for maximum power and continuous operation. It features a 3-blade cutter head with quick-changing, dual-edge blades that are reversible and self-aligning for a smooth surface with minimal blemishes. The multiple depth features help you achieve your desired depth, and the 13 in. wide feed capacity is great for planing large stock

From the Manufacturer

Ridgid R4330 Thickness Planer has a three-blade cutterhead which leaves a smooth, blemish free surface to make final finishing easier. Dual-edge, quick change blades with self-indexing blades are self-aligning and reversible for extended life. Precision Lead-screw system eliminates the need for a cutterhead locking system and provides consistent cut thickness across the full width of the workpiece. Large infeed/outfeed table extensions provides extra workpiece support to help eliminate snipe. On-board blade/Tool storage keeps blades and blade changing tools conveniently stored for quick and easy access. 120 V / 15 amp motor with overload protection maximum power for continuous operation. Depth adjustment handwheel easy-to-reach side-mounted handwheel keeps top of planer free to stage material. Sof-Touch controls improve comfort and grip. Ind-I-Cut Depth Gauge instantly measures cutting depth before each pass. Repeat-A-Cut depth stops eight adjustable depth stops to precisely plane multiple workpieces to consistent desired thickness for repetitive tasks. Dust hood rotating panel a simple twist opens the dust hood's rotating panel to allow wood chips to eject from the back of the tool. Use genuine RIDGID replacement blades - Model AC 20501. Specifications: Motor: 120 V, AC only, 15 Amps, No Load Speed: 10,000 r/min. (RPM) 30,000 CPM, Cuts per Inch: 96 CPI, Feed Rate: 26 FPM, Capacity: 13 in. and 6 in., Maximum Depth of Cut: 1/8 in., Weight: 73 lbs. Includes R4330 thickness planer, hex key, magnetic blade tool, blade/tool storage, depth adjustment handwheel and knob, dust hood, dust hood knobs (2), and operator's manual.

Product information

Technical Details

Part Number	R4330
Item Weight	72.9 pounds
Product Dimensions	25.2 x 15.8 x 20.5 inches
Item model number	R4330
Power Source	corded-electric
Item Package Quantity	1
